Our Food Pantry
Community Partner
throughout the pandemic.

Honorees

Amazon Fresh

The first Amazon Fresh store opened in August 2020. Since then, we've opened 20 stores across the United States and have worked with Feeding America agencies to donate over 9M meals to the communities we serve. Amazon Fresh offers a seamless online and offline shopping experience, and low prices on a wide assortment of national brands and high-quality produce, meat, seafood, and a range of delicious prepared foods made fresh in store every day. Our LA county stores love working with the LA Regional Foodbank network, and ONEgeneration. We are proud that our contributions have made an impact to their recipients and appreciate their support. Accepting the award on behalf of the Amazon Fresh Store network is Jaime Aust, Program Manager for AFS Donations.

Supo Foundation

The Supo Foundation was formed in 2005, with the goal of making an impactful difference in the lives of those often overlooked by traditional charities and donors. The foundation is proud of its unique ability to react quickly, providing financial assistance and or supplies within days of the request being received. If approved, the aid is then distributed to the recipient.

The foundation also encourages others to give generously and frequently to those less fortunate. The Supo Foundation is guided by these simple 3 words: "learn, earn and RETURN"

Honorable Recognition - Food Forward

A Southern California organization on a mission to reduce food waste and increase access to healthy fruits and vegetables through food recovery. Food Forward gleans weekly from the Encino Farmers Market ensuring zero waste from farmers and growers, and distributing to community partners.
