

Dear ONEgeneration Senior Enrichment Center Supporter:

We would like to thank you for your interest in participating in our 14th Annual Senior Symposium Fair on Saturday, May 20, 2023.

Because the last event was so successful with over 600 attendees, 100 vendors, and participation from 12 neighborhood councils, we are starting to get inquiries from those who exhibited in the past as well as new vendors who would like to participate. We will be accepting vendor registration forms on a first come first serve basis and only a limited number of booths will be available according to the type of service being provided in an effort to help minimize competition and maximize your ability to reach out to our senior population most effectively.

*****Please note** we will not confirm your place as a vendor until we have received your completed registration form.***

We have an eager audience of seniors whose needs are changing overtime and they appreciate being able to see as many vendors in one place at one time.

Upon receipt of your Vendor Registration/Sponsorship Form we will send you a confirmation so please be sure to add your email address to the form. Remember the sooner you send in your registration form and payment, the better the chance of getting a great spot! We will try our best not to put competitors next to each other unless requested and cannot guarantee the ideal booth space for every vendor. We also attempt to layout the event so all attendees are able to reach each vendor easily. If you have any questions, please contact Niambi Cooper at (818)708-6618.

Thank you so much for your support and we look forward to seeing you at the 2023 Symposium!

Sincerely,

Niambi Cooper

Niambi Cooper, MSG
