FOOD DRIVE FOR OLDER ADULTS

Due to the recent COVID-19 crisis, ONEgeneration continues to receive an increase in calls/requests from older adults in need of groceries/food. We are working with numerous donors including LA Regional Food Bank & the City of Los Angeles to distribute essential meals to those most vulnerable; however, there is a need for additional food products.

ONEgeneration has revised their food bank/distribution program to a **“walk-up”** **by appointment only** service at their Senior Enrichment Center (18255 Victory Blvd.) on the 1st, 2nd, 3rd & 4th Friday. It is the goal of ONEgeneration to offer free groceries to anyone in need during this time and therefore ONEgeneration is hosting a Food Drive to help support these efforts.

Some common items requested:

- Canned Goods
- Pasta/Pasta Sauce
- Rice/Beans
- Produce
- Fruits

To drop off food items for ONEgeneration's food bank, please call Niambi Cooper (818)-708-6618 or email at ncooper@onegeneration.org to schedule a pick up/drop-off. Please do not drop off food items prior to speaking with Niambi or a staff member at ONEgeneration

***All items received are safely and properly handled and sanitized to minimize any risk of COVID-19 transmission to best protect ONEgeneration staff, volunteers, and those accessing the drive-thru food bank.*
