

Magicas Gemas

Our slogan reads “The Power of Stones”, and it’s because gemstones are a holistic, natural approach to maintaining harmony between the body and mind. For thousands of years ancient civilizations around the world have use the healing properties of stones to balance our mental, physical, emotional and spiritual being.

In our lapidary and silversmith little shop, we handcraft custom made jewelry according to your needs and requests. Our gemstones are purchased all over the world for you.

Come visit us and we will thoroughly answer your questions about crystal healing and transformation.
