

# ONEgeneration Encino Farmers Market

## Why come to our Farmers Market?

- Certified Organic Farmers
- Plenty of Convenient Parking
- Variety of California grown fruits and vegetables
- Fresh flowers, eggs, chicken and grass fed beef, honey, plants and more
- Prepared food such as crepes, gourmet tamales, vegan products, coffee, tea, smoothies, two bakeries, and a fish monger
- Live entertainment from local cultural groups
- Face painting and a bouncy house on select Sundays
- And...best of all, donations and a portion of the market proceeds each week help to support ...
