Benefits

Personal & Emotional Benefits

Create a Legacy of Meaning

Leave a lasting impact that reflects your values and supports causes you care deeply about. It ensures your support continues even after you're gone, without affecting your finances during your lifetime.

Financial & Tax Benefits

Charitable gifts made through a will or trust may be fully deductible for estate tax purposes, reducing the overall taxable value of your estate.

You can designate a specific amount, a percentage of your estate, or a residual gift (what's left after other bequests).

You can also revise your plans if circumstances or priorities change.

No Immediate Cost

Unlike current donations, a legacy gift doesn't affect your cash flow or financial stability during your lifetime.

Types of gifts through a will or trust you can make:

- **Specific Gift:** A designated dollar amount or asset
- **Percentage Gift:** A portion of your estate (e.g., 5%)
- **Residual Gift:** The remainder of your estate after other obligations are met
- **Contingent Bequest:** A gift made only if other heirs are unable to inherit
