

Dear ONEgeneration Wilkinson Senior Center Supporter:

We would like to thank you for your interest in participating in our 3rd Annual Fall Senior Health Fair on Friday November 6th, 2026

Because the first two events were so successful with over 200 attendees, 60+ vendors, Councilmember John Lee, Congressman Brad Sherman, and Neighborhood Council support, we are starting to get inquiries from those who exhibited in the past as well as new vendors who would like to participate. We will be accepting vendor registration forms on a first come first serve basis and only a limited number of booths will be available according to the type of service being provided in an effort to help minimize competition and maximize your ability to reach out to our senior population most effectively.

We have an eager audience of seniors whose needs are changing overtime, and they appreciate being able to see as many vendors as possible in one place at one time.

Upon receipt of your Vendor Registration/Sponsorship Form we will send you confirmation so please be sure to add your email address to the form. Remember the sooner you send in your registration form and payment, the better the chance of getting a great spot! We will try our best not to put competitors next to each other unless requested and cannot guarantee the ideal booth space for every vendor. We also attempt to layout the event, so all attendees are able to reach each vendor easily. If you have any questions, please email Wilkinson@onegeneration.org.

Thank you so much for your support and we look forward to seeing you at the 2026 Wilkinson Senior Health Fair!

Sincerely,

Ana M. Herrera
