

A hospital that reflects the values of its community.

As an independent, nonprofit, community hospital, Valley Presbyterian Hospital has proudly served the healthcare needs of the San Fernando Valley since 1958. Our 350-bed hospital offers a full range of services, providing high-quality care to more than 100,000 patients each year. With more than 500 doctors representing a wide range of specialty areas, and a skilled and dedicated team of nurses, staff and educators, we are committed to delivering the vital healthcare our entire community needs most.

Our services and centers include:

- Cardiac services
- Children's services
- Diabetes and Wound Care
- Emergency Department
- Free health education classes
- Maternity services and education
- Orthopedic services
- Patient Portal
- Rehabilitation services
- Surgical services
- Women's services
