

World Elder Abuse Awareness Day

A Free Virtual Workshop

Elder abuse identification, reporting tips, and increased vulnerability of those with dementia

**Join us as we sit down with special guests,
Ginger Perini, Regional Director
of Long Term Care Ombudsman &
Sivana C. Lavine, MPH, CHES,
Program and Education Manager
Alzheimer's Association
California Southland Chapter**

Did You Know?

- 1 in 10 older adults experience some form of abuse
- The aging of our population is one of the most significant social transformations in the 21st century
- California is the state with the most older adults living in poverty and one of the most diverse populations of older adults in the nation
- Elder abuse is a silent problem that robs older adults of their dignity and security and may cost them their lives
- Recent studies show that nearly half of those with dementia experienced abuse or neglect
