

PARTICIPATE IN “STAGE FOR ALL AGES” THEATRE PROGRAM!

What is “STAGE FOR ALL AGES (SFAA)” about?

SFAA studies the effectiveness of intergenerational *Devised Theatre* for older adults’ psycho-social health. *Devised Theatre* is an ensemble theatre that starts without a set script. Through workshop process, a new drama is “devised” by all participants based on storytelling and group comfort drama activities. SFAA is an intergenerational devised theatre program for older adults and youth participants.
