Independent Electrical Contractors and Hispanic Contractors of Colorado Team up for 2018 GC Forum

On June 20th, the GC Forum -- co-hosted by Hispanic Contractors of Colorado (HCC) and IECRM – held its annual event designed to bring together a variety of Colorado's Public Entities and General Contractors in a casual networking setting.

The overarching mission for this gathering was to be at the forefront of the construction industry in Colorado and to achieve our collective goals by connecting business and contractors within the private and public sectors through information, education, and advocacy for Hispanic and all diverse businesses.

Over 100 industry professionals connected to the IECRM and HCC associations gathered to discuss plans for upcoming projects and strengthen their network of resources for upcoming projects in the relaxed atmosphere of Balestreri Winery in North Denver.

The premier sponsor of the GC Forum was IECRM Platinum Partner Allcable, Inc. Additional funding for this event was provided by the general contractors that purchased a booth at the event.

General Contractors with booths included:

5280 Waste
Adolfson & Peterson Construction
FCI Constructors, Inc.
Great Hall Builders
