

# The Lehmann Update

Fall 2017

## Prayer Requests

\$15,000 to finish our cash budget

For all Faith Promises and commitments to be fulfilled

Connections with students and open doors on target campuses

Recruiting trip Bethel Bible College, Oct 22-24

Courage for those considering joining our team

Sofia and Gabriel as they adapt to a new school

**Thank you for your partnership in prayer and giving!**

**Everything is a result of your partnership.**

## Teamwork Makes the Dream Work

May 2016 we made a commitment to move to the Triad of North Carolina and plant ministries on the 14 un-reached campuses. We knew we would need many things, but most of all, we would need a team. Right away, we began sharing the vision and the call. God has been so faithful to call laborers into this strategic harvest field. September 15<sup>th</sup> 2017 we had our first, official Triad Chi Alpha team orientation. Currently we are six, though we continue to share the vision and the call and are trusting God to add to our number each year.

It is such a testimony to God's sovereign provision how close-knit our team already is and how well we are working together. Our focus is now on meeting students to form discipling relationships. Thank for sending us as your missionaries.
