

## Allatoona High School Baseball Sponsorship

Thank you for supporting Allatoona High School Baseball. All athletic programs in Cobb County are funded by Booster Clubs. **Local business sponsorships are vital to provide the needs of our team and are crucial to the success of our program.**

Buccaneers Baseball Program Bragging Rights: 7 Region Titles, 4 Elite Eight appearances, 3 Final Four appearances and a Two State Championship Runner ups. Your support is a huge part of our success, and we are proud that you partner with our program.

**Why is this important?** The more successful our program is, the more foot traffic our games receive. **Your company brand is seen by thousands** throughout the duration of our season. Allatoona baseball is also a registered PBR field driving hundreds of players, parents, and spectators by your advertisement all summer long! Our fans are loyal and will gladly patron our sponsors. Your sign is placed at the entrance of our sports complex hosting 3 different sports (baseball, softball, and tennis.) Our admissions table is staged next to the wall of advertisers and the line to enter encourages our fans to stop and look at those sponsoring our program.

### **Allatoona Baseball Sponsorship Commitment**

Please check level of desired sponsorship:
