**In the wake of the Coronavirus Pandemic (COVID-19) and to keep you informed of the latest news affecting IBEW Local 43, we are providing you with the following:**

Brothers & Sisters:

To clear up any confusion regarding IBEW Local 43 & Finger Lakes Chapter NECA following the International IBEW/NECA National Disease Emergency Response Agreement (NDERA) that was put out on March 16<sup>th</sup> and then revised on March 19<sup>th</sup> designed to address the current national public health emergency and to provide guidance for our industry, we want to inform you that IBEW Local 43 & Finger Lakes Chapter NECA have agreed to follow our current Inside Agreement Section 3.23 -Recall Language.

We have also agreed, that if the twenty (20) days are not adequate, we will then review this in the future should it become necessary.

In addition, I asked Executive Director Oppedisano to send correspondence to all signatory contractors requesting that as contractors become aware of any job closings due to (COVID-19), small and large jobsites included, to please email a list of the jobsite(s) and effective dates of the closure along with a list of members names who are affected to the Business Manager and/or Referral Office.

This will help our membership and our contractors keep track of the project's shutting down due to COVID-19, and to reassign members properly when the projects start back up.

Please be advised if you are laid off due to a COVID-19 job closing you are to follow the Local 43 Inside Agreement layoff rules and sign Local 43's out of work list.

IBEW Local 43 and Finger Lakes Chapter NECA have a history of working locally together to our mutual benefit and rest assured we will continue to do so.

Stay safe and be well.

Fraternally,
