## Justin Derwick

My name is Justin Derwick. I have been coming to Unity Spiritual Center of North Idaho (USCNI) for a little over four years and have been a Unity member for two of those years. I would like to serve on the USCNI Board so I may represent a younger generation within our Unity community, as well as young families. I am originally from Buffalo, NY. I have been living in the western part of our country for the past 19 years and have lived in Coeur d'Alene for 12 of those years. My daughter, who performed in a play with me here at USCNI three years ago, is who brought me to this beautiful area. I spend my free time going to concerts with my beautiful girlfriend, hiking and playing with our five wonderful children and improving myself through meditation, self-reflection and the tools and knowledge provided through Unity principles and our gracious community of loving souls.

## Tami Savage

I am running for the board trustees. I have been a member of UCNI for 20 years. In that time it has been my pleasure to serve on the board, to serve as youth director, Sunday school teacher, Unity's representative for Family Promise finance committee, out reach and in reach committee member and platform assistant.

I am married with 4 grown children. I work part-time as an owner of a property management business. I have a degree in business and am a partner in several businesses in Colorado. I am an avid skier, golfer, hiker and sailor.

I am originally from Colorado, my husband and I moved here in 2000. In Colorado I owned a successful ambulance business, was president of the Garfield County Emergency Services, served on 2 hospital boards. I have been a postmaster, diary manager, and deli manager.

## Audra Holm

I have attended Unity Church for 13 years and have been a member for 8 years.

I have been involved in and supported Kootenai Environmental Alliance, Family Promise, Green Cemetery, In Reach Team, USCNI Sunday School, Lake City Playhouse, Running W Ranch, Sorenson Elementary, Course in Miracles and other courses.

USCNI's greatest strengths are its open mindedness and ability to promote acceptance. Its greatest opportunity is to reach a population that is forward thinking and wanting to promote good in our community for both its people and the earth.

My understanding of USCNI's Mission, Vision and Core Values is being spirit centered. We promote love, joy and peace in our lives and shine our light out to others in hopes they will find love, joy and peace as well.
