

TRIPLE-A AFFILIATE OF THE CHICAGO CUBS

## VIDEO TEAM INTERNSHIP

The Iowa Cubs are seeking qualified individuals to join their video team for the 2020 season. Interns produce broadcasts for the stadium video boards as well as the internet webcast and in-house close circuit feeds during the 98 games at Principal Park.

Interns arrive approximately one hour before game time to set up the four-camera operation. Interns rotate positions among camera operators, director, replay operator and graphics coordinator.

These positions are mostly game-time only. The pay is \$10 per hour. Academic credit is available.

The Iowa Cubs have 70 home games - starting April 14 - and also host the 28-game high school state baseball tournament in late July.

For more information, contact Justin Walters at 515.280.2639 or at [justinw@iowacubs.com](mailto:justinw@iowacubs.com).

Interviews will begin the middle of February.
