## Tyson Foods COVID-19 Response Fund

### Goal

The Tyson Foods COVID-19 Community Response Fund will award financial resources to nonprofit and community organizations that are working on the front lines to provide Tyson communities with emergency assistance during the pandemic.

We want to strengthen support services provided by nonprofits for our team members and communities over the next 90 days.

**Applications will be approved on a rolling basis  
until May 30, 2020**

Grants are intended to support local organizations across Tyson's footprint that are providing front-line emergency response, such as rent/utility assistance, food distribution, mental health services, health care, childcare and other economic recovery services.
