THE SEVEN GOALS OF THE LAUDATO SI' ACTION PLATFORM**

In the *Laudato Si' Action Platform* Pope Francis invites the world to join in an ambitious seven-year journey to integral ecology and sustainability. This series will explore each of the seven goals of the LSAP. Ecological practitioners will inspire us and share their lived experience with us. They will invite us into dialogue around the question, “What call did I hear that will move us further on the path of ecological conversion?” Each ZOOM session will include prayer, a presentation, and opportunity for conversation.
