

LET US HELP YOU WITH CHILD CARE!

Child Care

The 477 Child Care department provides services to reduce joblessness by increasing the availability, affordability and quality of child care in Southeast Alaska's communities.

Client Support Services

Diapers, formula and financial assistance for child care services is available to eligible clients who are low to moderate income and engaged in work, training and/or related activities. Child Care services are supplemental to any existing resource available to the parent.

Child Care Provider Support Services

Child Care offers a quality improvement program for child care providers, as well as before-school, after-school and cultural programs.
