Tlingit & Haida's Temporary Assistance for Needy Families Department and Community & Behavioral Services (CBS) Healing Center have partnered to host an open house to encourage tribal citizens to start the new year off on the right foot by focusing on wellness.

### **Event Overview**

- Learn effective skills for coping with stress
- Learn about how you or your family can access services
- Meet our CBS Healers
- Enjoy food and refreshments
- Explore all of the healing stations for giveaways and a chance to win a door prize!

***Healing Happens One Step at a Time***
