“Where Are You on The Journey?”

Grace and peace to you in the name of Jesus Christ!

It's hard to believe, but this month's edition of "The Journey" marks the third anniversary of our newsletter's new name and format. In October 2016, I explained in my message that its new name was a reminder that both our individual faith walks, and our communal church life, are both journeys of a kind.

The most important work of the church is the growing of faithful disciples without whom our mission of serving Christ would simply fade away. It was the vision of our Lord, and the vision of our founder John Wesley, that recognizing God's call upon our lives, we would strive to grow in the likeness of Christ throughout our lives. Like the changing of the seasons, each new day and year would see our faith mature

and our service make a difference in the world around us.

This past year, with the help of our leadership, we formulated a "Pathway to Discipleship" intended to be a guide for those who wanted their faith to continue to grow. The "Pathway" offers a guide to find yourself along a continuum pathway and discover where you are currently living on your journey. When you have found a description of your current spirituality, you are then offered suggested activities and steps of service to enhance your faith and continue to grow. No matter if you are new to the faith, or have been around since the time of Moses, following the guide will help you grow in faithful discipleship of Jesus Christ! Discipleship, as you know, is much more than simply worship.

Over the past year we

have strived to offer growth opportunities which are mentioned as you explore the "Pathway. From long term and seasonal Bible Study to Prayer Study and Lay Servant Classes, to service opportunities like our Peace Meal, there are plenty of places to jump in and grow. Check it out... brochures are available and a Bulletin Board display in the main hallway help describe the Pathway to Discipleship. Ask me, Pastor Dave, or one of the staff for more information.

A major announcement also in the works is our plan to re-birth the "Elm Park Mid-Winter Institute." The two-day learning event is planned for February 1 & 2, 2020. The theme of the two days will be "Vision 2020 and Beyond!" Dr. William B. Lawrence will be our Key-Note

(Continued on page 2)

speaker and presenter as well as preaching for us on Sunday morning, February 2. Dr. Lawrence is Professor Emeritus of American Church History at Perkins School of Theology, Southern Methodist University and a Research Fellow of Duke Center for Studies in the Wesleyan Tradition. Bill is a native of the former Wyoming Conference and served as Pastor of West Pittston UMC and Superintendent of the Wilkes-Barre District.

Classes will be offered in a variety of areas aimed at strengthening the churches of our district and conference. This event will be worth everyone's effort to attend.

This month we welcome the Rev. Takasongo Kasongo to our ministry team. A former superintendent in the Congo UMC he comes to us as a part time student intern studying at Drew Theological School in Madison, NJ. It is my hope that his presence will give helpful support to our Congolese members over the coming months.

Finally, our Church Conference will be held on Sunday Afternoon, October 20th. Our District Superintendent will be with us as we celebrate our ministry both current and future! Plan to be with us for this important gathering.

Until Next Time...In Jesus' name!

Rev. Mike Bealla

THE JOURNEY

Thank you for your response to our recent inquiry as to how you would like your copy of this newsletter. We have updated our records with your help!

We had a great response to our collections of both school supplies and toothbrushes! Knowing the need of our brothers and sisters you have truly stepped up!

Why do bad things happen to good people?

If God is a good God, why does God allow bad things to happen to good people?

These are the questions we are exploring in my Theodicy seminary course. They are questions that trouble many people, Christians and non-Christians alike. One of the reasons that I decided to take the course is that I feel called by God to work outside the church, to be the presence of Christ in the world, to humble myself and connect with people who are troubled, to remind people inside the church that the world is yearning to be transformed and we are God's workers in that effort. This is the work of a Deacon and of like-minded believers.

Spiritual practices like prayer, Bible reading and singing songs of praise are things we do to strengthen our spirits, to allow God to guide us in our transformational work. Covenant Discipleship groups meet weekly to support each other in developing spiritual practices. If you are interested in joining a Covenant Discipleship group, please email me at cwilcox@drew.edu. or notify Rev. Mike or Marie in the office. A Covenant Discipleship group will meet weekly at Elm Park on Thursdays from 5:15-6:15 pm beginning October 17th, adjourning early for Church Council meetings.

I hope to explore these ideas and how we can journey through this together in this newsletter and in conversation with you.

To witness to Jesus Christ in the world and to follow his teachings through acts of compassion, justice, worship and devotion under the guidance of the Holy Spirit.

Look Around

The Board of Trustees has been busy in the past few months addressing many of the obvious concerns of the members and friends of Elm Park. You may have noticed some deteriorating plaster in the ceiling at the rear of the recital hall and some other spots in the sanctuary. As a result of these leaks and the ongoing concern of the Trustees we have retained Durable Slate Company of Baltimore Maryland to study and address these roofing problems. As a result of their findings, which they identified by physically climbing on the roof and a close- up examination by a drone, corrective actions have begun. After the initial contract was signed it was observed by the contractor that a large area of copper at the rear of the recital hall roof was eroding and had to replaced. This was in addition to replacing some copper covers at areas where different levels of the roof were joined. The cost of these repairs will exceed \$450,000.

In addition, the members and friends of Elm Park have donated over \$22,000 toward the replacement of the carpet in the sanctuary. The Trustees realize that with their pledge to match the donations this project is an urgent concern. We are in the process of reviewing bids, examining samples and a contract will be awarded to begin the project in a timeline that will cause the least disturbance to the worship experience of the congregation.

While all of this is going on The Trustees received a report on our financial investments from our advisor Peoples Security Bank and Trust, our investments are providing a beneficial return while being invested in a safe, socially responsible and balanced manner. Without the foresight of previous generations, the maintenance of this historic building would not be possible.

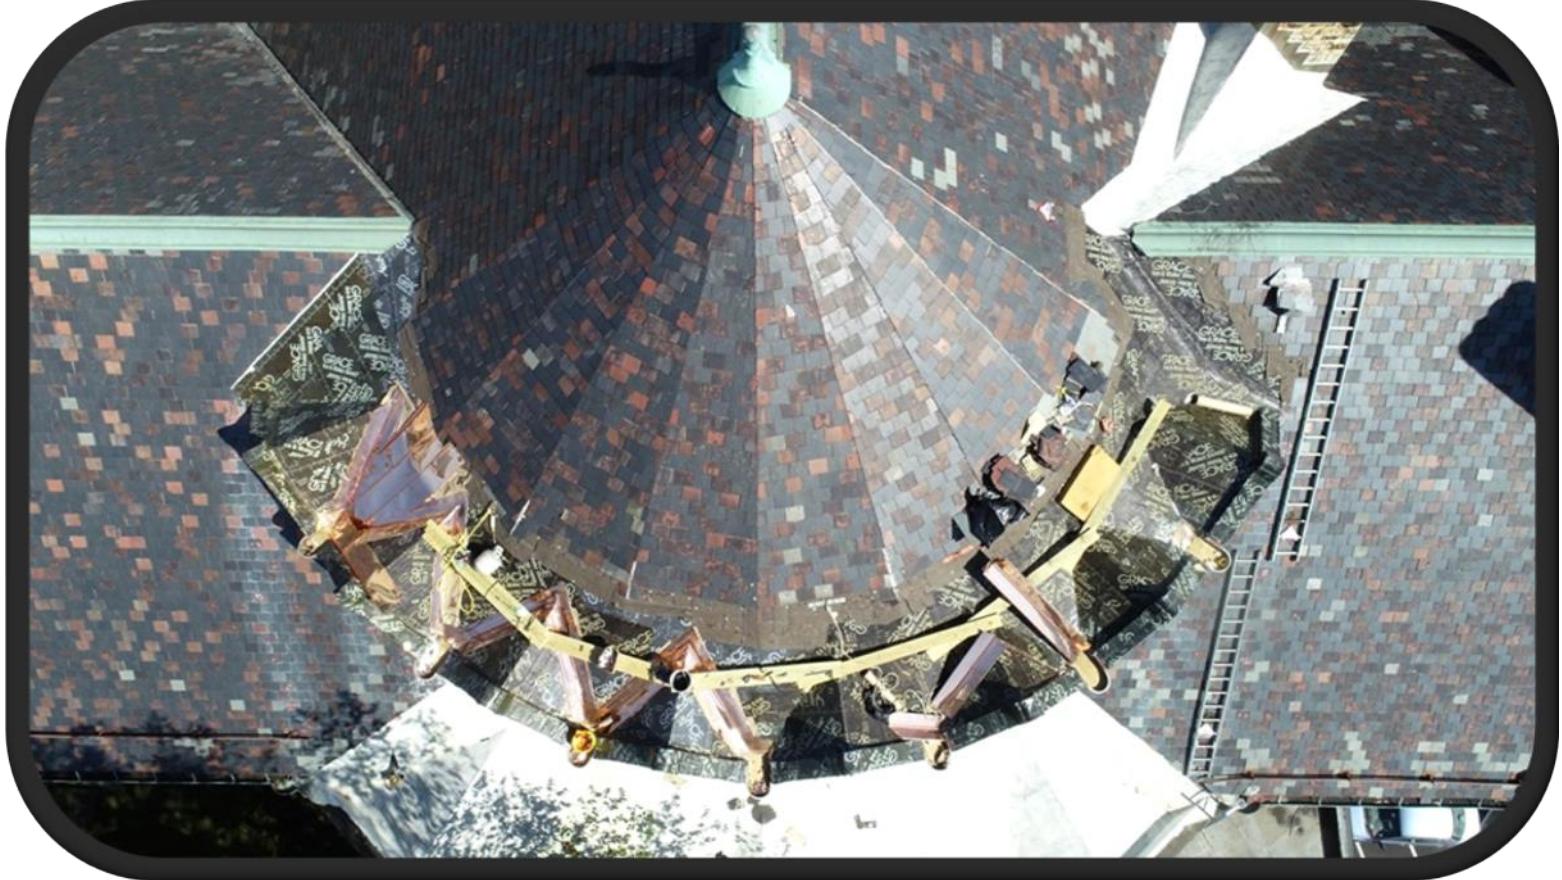

At our last meeting, our accounting firm McGrail Merkel Quinn Associates provided us with a clean audit, assuring us that the financial operations of Elm Park were being carried out in a responsible manner.

The support of the congregation is greatly appreciated.

REMINDER:

There are 17 parking spaces available in our lot across from the Linden Street entrance to the church and office.

If you know someone who is looking for parking for school or work in the vicinity, you can suggest that they rent from us! Price is \$65 a month which is currently the cheapest price in the city. Call the Church office at 570-342-8263

Yard-salers, flea market visitors and closet cleaners are asked to please keep Elm Park's winter coat give-away in mind. In a blink cooler temperatures will be here on the way to full-blown winter. Thoughts & Prayers: By Diana Howe, Lay Leader

"Amazing God, you have placed joy in my soul, dancing in my toes, and a song in my heart. Your turn mourning into dancing. You desire gladness to flow like a mighty river and healing to extend from shore to shore. You gave the world Jesus, who laughed and healed, who lifts me up and invites me to walk the good path and trust in a love stronger than death."
