Subject: Resignation from the Council

Mayor Huff,

This letter serves as my resignation announcement as Council Member, Ward 3, effective 30 September 2016. The reason for my resignation is that I am moving out of the community and will no longer be eligible to serve in my current capacity. Please know that it has been my great honor to serve the residents of Ward 3 and that I am extremely proud of what has been achieved by the City during my tenure on the Council.

I wish all of those who serve the City and all of the residents of Castle Pines the very best good fortune in the future.

Sincerely and Semper Fidelis,

Ned Wilt
