

K A M B A K U

S A F A R I L O D G E

The establishment of Kambaku Safari Lodge began, as most things do, with a simple idea: that our most memorable moments are those we share with others.

When we eat together, laugh together – when we travel together, we create the kind of experiences that we’ll reflect on and call “the good times.” Kambaku Safari Lodge is a place designed for those good times.

We believe that safaris should be family

adventures. Our children’s programme is aimed at educating and entertaining young minds.

There is so much to see, so much to learn. Children jump at the opportunity to become certified junior rangers by the end of their stay – a worthy accomplishment for the future custodians of our precious wildlife.

Watch the organic radiance of the African bushveld unfold in a way that celebrates the spirit of community.

Wild dogs, hippos, hyena – spot them as our seasoned game rangers reveal the indigenous diversity of the Timbavati Game Reserve.

This four-star experience is designed to bring people together, to open a window to a new way of thinking about safari travel.

Happiness is a place.

ABOUT US

Safari Lodge has 8 elegantly thatched chalets traditionally set around the camp waterhole. Enjoy the waterhole from the pool deck or upper deck, or simply from your own private veranda. Each chalet is individually decorated and is equipped with an overhead fan, beautiful four poster beds, en-suite bathrooms both shower and bath. The main lodge features welcoming fireplace, small library and superb bar, whilst the upper deck provides a pool table for the younger generation as well as a games corner. With a traversing area of 12 000Ha, morning and evening safaris are always interesting and informative. Opt for a walking safari to experience the intimacy of the bush on foot. Relax in the heat of the day at the pool, or make use of our complimentary transfer offered to River Sands and make use of the spa or the gym facility. Shop for local artifacts and mementos in the curio shop; or delight in the bird life from the hide at Twins Dam. Experience our renowned warmth and hospitality during hearty brunches, delicious high teas and unforgettable dinners under the African night sky.
