## A little bit about Shinde Enclave

---

Shinde Enclave is an exclusive 'camp within a camp' catering for a maximum of six guests, offering the ultimate in personal service and an indelible wilderness experience. With a private main area providing a bar, lounge, dining room, mini library, outside fire deck and sun lounge area, it is the perfect retreat after a day's activities.

Rebuilt in 2020, retaining the authentic classic safari style, the new tents and main area provide a luxury experience with a touch of historical charm. The décor can be described as having the best of nature within an authentic safari design—still with the understated, friendly and intimate Ker & Downey Botswana feel". Elegant, Classic, Opulent 'Out of Africa'. A 'worldly' sophisticated safari experience.

# Shinde Enclave Accommodation

Each tent comprises of a large bedroom, en-suite bathroom with indoor and outdoor shower. There is the choice of either a double or twin bed configuration on comfortable three-quarter, extra length or king-sized beds. Every possible comfort has been catered for – from full solar electricity, standing and ceiling fans through to yoga mats and hair dryers!

Families have the choice of being accommodated in a custom build two bedroom shared en-suite bathroom family tent sleeping a maximum of 5 people.

# Shinde Enclave Activities

Shinde Enclave is situated on a private concession which allows guided walks, Mokoro excursions and night drives in addition to game drives and motorboat trips. Shinde Enclave's excellent location in the Okavango Delta ensures a combination of permanent water access for year-round water activities and large dry areas for game drive routes.

This blend of environments provides the habitat for a consistently wide variety of wildlife, including the elusive sitatunga antelope and a healthy population of lion. Fishing is available throughout the year (with the exception of January and February), with excellent bream fishing from May to September and superb chances of landing tigerfish during September to mid-November.

This area offers an exclusive hideaway and perfect location from which a family or small group of friends can explore the Okavango Delta.

Helicopter scenic flight with a champaign stop, additional extra.

# Shinde Enclave Highlights:

---
