

Transitioning Back to School: Gender, Mental Health and Education Summit

Friday, September 7, 2018
1:00 p.m. – 5:00 p.m.

Oakland Unified School District
1000 Broadway Suite 640, Oakland, CA 92507

Join us to learn about and discuss the intersection between gender, mental health and school climate. We will address the mental health needs of children, particularly those who are gender-expansive/non-conforming, and how we can create responsive and supportive school climates. Joel Baum from Gender Spectrum will serve as a facilitator/speaker.

We welcome all including youth, parents, educators, mental health providers and advocates. This community meeting is part of a broader project on Schools and Mental Health led by the Mental Health Services Oversight and Accountability Commission.
