Public Service Announcement – Business and Government

Attention – Business and government employees and leaders! Do you want to improve your communication with your team, build stronger relationships, and become a more effective leader? We invite you to our upcoming Emotional Intelligence Conference for greater awareness of the value in self-development of emotional intelligence.

What: 22nd Annual Emotional Intelligence Conference and Pre-Conference Certification Workshop.

When: Pre-Conference Workshop Feb 3 – 5, 2025; Conference Feb 6 – 8, 2025.

Where: On the beautiful Island Campus of Texas A&M University-Corpus Christi in person, or virtual if needed!

Emotional intelligence is a critical skill for successful leaders. The dynamic, 45-year research-derived, energizing Transformative Emotional Intelligence Model that we'll be discussing allows you to understand and manage your own emotions while also empathizing with your team members. By developing your emotional self, you can enhance your leadership abilities, drive better results, and create a more positive and productive work environment.

At our 22nd conference, you'll have the opportunity to hear from experts in the field of emotional intelligence and learn practical tools and strategies to apply in your leadership role. You'll also have the chance to network with business leaders, entrepreneurs, and others who are also striving to enhance their emotional intelligence and leadership skills.

Whether you're in the government, military, or the private sector; a new manager, or seasoned entrepreneur, our conference is designed to help you take your leadership to the next level through emotional intelligence. Join us for an inspiring and transformative experience that will help you develop your emotional intelligence and become a more effective leader.
