6537 S. Staples St. STE 125-106, Corpus Christi, TX 78413-5243

Public Service Announcement – K-12 Education

Attention – Educators and administrators! Are you looking for ways to support your students' emotional development and create a more positive and inclusive learning environment? Then we invite you to our upcoming 22nd Annual Emotional Intelligence Conference!

What: 22nd Annual Emotional Intelligence Conference and Pre-Conference Certification Workshop.

When: Pre-Conference Workshop Feb 3 – 5, 2025; Conference Feb 6 – 8, 2025.

Where: On the beautiful Island Campus of Texas A&M University-Corpus Christi in person, or virtual if needed!

Emotional intelligence is a crucial cluster set of skills that helps students develop empathy, self-awareness, and social skills. The dynamic, 45-year research-derived, energizing Transformative Emotional Intelligence Model that we'll be discussing allows educators and administrators to better understand and support their students' emotional needs. By creating the opportunity to practice transformative emotional intelligence in the classroom, you will positively impact academic performance, help reduce behavior problems, and create more positive and inclusive learning environments.

At our 22nd annual conference, you'll have the opportunity to hear about emotional intelligence and learn about practical tools and strategies to support your students' emotional development. You'll also have the chance to network with educators, administrators, and others who are also striving to enhance emotional intelligence in the classroom.

Whether you're a staff member, teacher, counselor, or administrator, our conference is designed to help you create a more emotionally supportive and inclusive learning environment for your students, teachers, and academic community. Join us for an inspiring and transformative experience that will help foster student emotional maturity, advance your own emotional intelligence, and support the growth of others. Please join us!

TAMU-CC Department of Counseling and Educational Psychology
"The 2025 – 22nd Annual Institute for Emotional Intelligence"

ACEP No. 3057

Texas A&M University-Corpus Christi, Counseling and Educational Psychology Department has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 3057. Programs that do not qualify for NBCC credit are clearly identified. Texas A&M University-Corpus Christi, Counseling and Educational Psychology Department is solely responsible for all aspects of the programs.
