We are excited to invite you to our upcoming 22<sup>nd</sup> Annual Emotional Intelligence Conference. Meet speakers and participants from all backgrounds and professions to learn, grow, and connect with a dynamic, 45-year research-derived, energizing Transformative Emotional Intelligence Model.

Emotional intelligence is a crucial life domain that builds 13 personal skills that allow you to understand and manage your own emotions while also empathizing with others. Emotional intelligence is becoming increasingly important in our fast-paced and interconnected world. By developing emotional intelligence, you can improve your communication skills, build stronger teams, personal relationships, and become more effective in understanding self and others.

At our 22<sup>nd</sup> annual conference, you will have the opportunity to hear from experts in the field of emotional intelligence related to life, leadership, organizational and community development, and emotional intelligence in schools and universities. Learn practical tools and strategies to improve your own emotional intelligence. You'll also have the chance to network with other like-minded individuals who are also striving to enhance their emotional intelligence.

If you are just starting out on your journey or are looking to refine your existing skills, this conference is for you.

Please Join us for an inspiring and transformative experience that will help you develop your emotional intelligence and take your personal and professional life to the next level.
