## Public Service Announcement – Mental Health Counselors and Psychologists

**Attention** – Mental health professionals! Are you looking for ways to enhance your counseling– therapeutic skills and support your clients' emotional growth? Then we invite you to our upcoming 22<sup>nd</sup> Annual Emotional Intelligence Conference!

**What:** 22<sup>nd</sup> Annual Emotional Intelligence Conference and Pre-Conference Certification Workshop.

**When:** Pre-Conference Workshop Feb 3 – 5, 2025; Conference Feb 6 – 8, 2025.

**Where:** On the beautiful Island Campus of Texas A&M University-Corpus Christi in person, or virtual if needed!

Emotional intelligence is a key factor in successful counseling–therapy. The dynamic, 45-year research-derived, energizing Transformative Emotional Intelligence Model that we'll be discussing will help you to understand and manage your own emotional experiences while also empathizing with your clients to build stronger therapeutic relationships. By developing emotional intelligence, you may enhance counseling–therapeutic skills and support your clients' emotional growth and well being.

At our 22<sup>nd</sup> annual conference, you'll have the opportunity to hear from practitioners in the field of emotional intelligence and learn practical tools and strategies to apply to your counseling–therapeutic practice. You'll also have the chance to network with other counselors, psychologists and others who are also striving to enhance their emotional intelligence and therapeutic skills.

Whether you work with individuals, couples, or groups, our conference is designed to help you take your therapy to the next level. Please join us for an inspiring and transformative experience that will help you develop your emotional intelligence and enhance your therapeutic practice.
