

Members of Greater Little Zion Baptist Church,

On Sunday March 15, 2020, Governor Ralph Northam of Virginia established new guidelines based upon directives provided by the CDC (Center for Disease Control). Specifically, the prohibiting of group gatherings of more than 50 persons as a provisional measure of the Corona-virus. Therefore, worship services at GLZBC will no longer occur until further notice. Also, there will be no weekly evening activities at the Church (prayer meeting, Bible Study, ministry meetings, choir rehearsals, etc.) as a further measure of protection for all persons involved. As a result, I will provide a weekly Bible Study (7:30 p.m. each Wednesday) and a weekly sermon (10:00 a.m. each Sunday morning) via Facebook live on the Church website. I encourage each member to log-on at those specific times and receive a Word from the Lord for encouragement during these difficult times. For Bible study, please submit any questions or consideration for discussion via my email ([glzbc3@hotmail.com](mailto:glzbc3@hotmail.com)) that will inspire Bible Study to your learning. Further, although we will not gather for fellowship and worship, please continue to provide your financial support via online account or postal mail that we may continue to maintain ministry accounting until such a time we return together. I offer my sincere inspiration to all to continue in prayer that medical research will discover a cure that will enable our lives to return to a previous form of normality. May we grasp the promise of Jesus as the hope of this condition (Matthew 7:7-11). Please feel free to email me with any questions or concerns.

May the peace of God rest within each of you.

Pastor James T. Murphy, Jr.
