- **Gatehouse Greeter - Shifts are Monday - Friday 8:30 am - noon and noon - 3:00 pm.** The gatehouse volunteer is the first smiling face that greets guests as they enter the Gardens - they are responsible for answering questions, giving out literature if needed, selling fish and duck food, and greeting guests as they enter or exit.

You are a main point of contact for our guests – a smiling face is a must! If you can take a shift, or want to learn more, please contact Janet Abernathy.

- **Gift Shop - Monday - Friday 10 am - 12:30 pm and 12:30 pm - 3:00 pm.** Our garden gift shop is a small shop that sells everything from garden gadgets, books, jewelry, art, souvenir items and more! We will train you, so no experience is necessary – you just have to enjoy meeting new people! If you can take a shift, or want to learn more, please contact Janet Abernathy.
