

KEYSTONE SAFETY PROTOCOLS

WHEN STUDENTS ARE ON CAMPUS

**See full document for more details*

Social Distancing

- Desks for belongings
- Small group learning
- Physical spacing

Masking

- Face shields for preschool-1st
- Masks for 2nd-5th grades & staff
- Masks/shields indoors
- Mask-free outdoor classrooms

Cleaning

- Limit manipulatives
- HVAC update to HEPA filters
- Materials sanitized daily
- Daily professional cleaning
- Weekly "fogging" of building & playground equipment

Carpool

- Daily temperature & wellness checks
- Parents & siblings stay in vehicles
- Staggered pick-up times: 3:45 - 4:15

Handwashing

- Increased frequency & instruction
- Touchless faucets, soap, & paper towel dispensers
- Outdoor wash stations
- Touchless hand sanitizer stations

Sickness

- Notify Keystone if any family member tests positive for COVID-19
- Keystone will close for two weeks if there is a positive test in our community
