

School-Based Health Centers

Pediatric healthcare clinics located on or near school grounds

Open to Any Child Age 0-18

We're here when you need us. From birth through teen years, Mosaic's pediatric team provides expert care to support a child's physical, emotional and social wellness.

- All SBHCs provide care to anyone age 0-18
- Health insurance is not required
- Patients do not need to be a student at the school
- Patients can have healthcare established elsewhere

Newborn Through Adolescent Care

- Well-child check-ups
- Adolescent annual wellness visits
- Acute illness and injury diagnosis and treatment
- Immunizations
- Developmental screening and education
- 504/IEP evaluation and support
- Low-cost circumcision
- Lactation support
- ADHD evaluation and follow-up
- Chronic conditions management
- Sports physicals
- Behavioral and/or mental health services

Payment – We Work With You

We accept most private or commercial insurance, all local OHP (Medicaid) and most Medicare. We offer reduced rates based on a sliding scale to all patients. Program participation is income dependent. An application is required to determine eligibility.

Locations

Mosaic operates seven SBHCs throughout Central Oregon with locations in Bend, Madras, Prineville, Redmond and Sisters.
