

2024 Innovation Inspiration Expo Sponsorship

A virtual conference focused on sharing creative and innovative practices.

Investment: Invest in your brand equity by supporting the community of rehabilitation professionals.

Talent: Connect with line staff, supervisors, and agency directors who are at the forefront of the rehabilitation and assistive technology field.

Leadership: Demonstrate your organization's leadership and innovative practices in front of the brightest minds in the field.

The Innovation Inspiration Expo is a grassroots effort to connect all vocational rehabilitation professionals to educate, discuss, and share different and inspiring practices that are working in the field

"Thank you all, this conference has inspired me!" 2023 Expo Attendee
