We are looking forward to being back on campus this summer, but it will look different. - Register weekly, grouped by grade level

Full Day Program

- Register weekly, grouped by grade level
- Enrichment class embedded within the week from 9 am-Noon, Monday-Thursday

- Check section description for materials

Explore your passion, Expand your horizons, and Make new friends. Have Fun while You Learn!

- Exciting, stimulating, and hands-on programs children love.
- Come for a week or for the whole summer.
- Qualified, experienced faculty and staff in a safe and caring environment.
- Please make sure to read the new policies and procedures including COVID protocols, see P. 29-31

“Los Niños en el Campus”

Programas de Enriquecimiento de Verano 2021 en Northampton Community College

Para los estudiantes que ingresan a los grados ~ K-9

14 de junio - 20 de agosto de 2021

Estamos deseando volver al campus este verano, pero se verá diferente. Teniendo en cuenta la salud y la seguridad de todos, hemos diseñado el programa con la mentalidad de mantener a los niños en grupos similares semanalmente. Esto ayudará a limitar la exposición y cerradas si es necesario. También queremos mantener nuestras opciones flexibles para las familias.

Las familias tienen 3 opciones. Elija UNA opción por semana:

Clases de enriquecimiento de medio día:

- Lunes-Jueves, 9 am - mediodía
- Registrarse semanalmente, agrupado por nivel de grado

Programa de día completo:

- Lunes-Viernes, 8 am- 6 pm
- Registrarse semanalmente, agrupado por nivel de grado
- Clase de enriquecimiento incrustada dentro de la semana de 9 am - Mediodía, Lunes-Jueves.

Clases en línea

- Sustenido mediante Zoom
- Consulte la descripción de la sección para los materiales

Explora tu pasión, expande tus horizontes y hacer nuevos amigos. ¡Diviértete mientras aprendes!

- Programas emocionantes, estimulantes y prácticos que a los niños les encantan.
- Ven por una semana o durante todo el verano.
- Profesores y personal cualificados y experimentados en un ambiente seguro y atento.
- Asegúrese de leer las nuevas políticas y procedimientos, incluidos los protocolos COVID, consulte P.4.

Estamos entusiasmados con los programas de este verano y esperamos un verano seguro y feliz lleno de aventuras divertidas!

Si tiene preguntas, no dude en llamarnos o enviarnos un correo electrónico.

- A laptop will be provided at your check in location if you forgot to complete the Health Questions.
- If cleared to come to campus you will see a green check mark with that day’s date, do not close the app and do not click done. Check mark must be shown upon arrival on campus at your check in location. Check in location information will be emailed prior to the program.

All children and staff are required to wear a face mask at all times while on campus. Face masks may be removed for eating and drinking.

Social Distancing

Class sizes will be limited to accommodate for social distancing.

Drop Off/Pick Up Procedures

Please do not bring your child directly to the classroom. You must drop your child off at the check in location. You will be emailed details of locations prior to the start of the program.

Cleaning and Sanitizing

- Rooms will be cleaned and sanitized each day in accordance with NCC protocols.
- Hand sanitizer is located in each room and increased handwashing is encouraged.

Sick Policy

- If your child is sick and displays COVID-19 symptoms, please do not bring them to campus
- If your child becomes ill during the program, you will be notified and will need to pick them up.
- If your child receives a positive COVID test result, you are required to call the NCC nurse at 610-861-5365.
- If a COVID-19 case is reported in a half or full day program, students and staff in that program will need to quarantine for 14 days and the program will be cancelled. Contact tracing will be handled by the NCC Health Center.

COVID-19 Cancellation procedure

- If a half or full day program is in progress and needs to cancel, you will receive a 50% CREDIT for anyone in your family to use by June 30, 2022.

CHILDREN WITH DISABILITIES

Children with disabilities who are in need of specialized accommodations (example: a sign language interpreter or permission to be accompanied by an attendant) must identify themselves to the Horizons for Youth Program by calling 610-861-4120. **Parents will be required to complete an information form and provide current documentation of the disability. If you will be requesting special accommodations, your paperwork MUST be completed and on file in NCC's Disability Services office by May 14, 2021 or 2 weeks prior to the start of class if you register after May 14, 2021.**

Parent's whose child needs to be accompanied by an aide, TSS or MT are required to obtain and submit to the Horizons for Youth program all state and federal clearances for any staff that will accompany your child. For a complete list of necessary documents refer to our website www.northampton.edu/summeryouth. Documentation and clearances should be scanned and emailed to youthinfo@northampton.edu. *Students that need specialized accommodations and do not contact Horizons for Youth prior to the start of class or submit the required paperwork will not be able to participate in the class until parents/guardians have contacted the office and submitted the necessary requirements. See refund policy.*

PICK-UP/DROP-OFF OF CHILDREN

Parents must drop off and pick up at the check in location. You will be emailed details of locations prior to the start of the program. If you are a parent of a 6th-9th grade student and choose not to pick up your child from class, you must send a note giving permission for your child to meet you. Without a note they will not be released from the classroom. If someone other than a parent or guardian is picking up a student, you must send a note informing the teacher/counselor. Pick-up person must be at least 16 years of age. Please make sure that person has a photo ID with them.

Class starts and stops at exactly the times stated. Please be prompt in adhering to this schedule.

In the event of a legal issue, please inform the Horizons for Youth staff immediately.

Bethlehem locations: 610-861-4120

If you have questions regarding registration, call toll-free: 1-877-543-0998.

SNACK POLICY

Please provide a healthy snack for the mid-morning break. We strongly encourage that you pack a peanut free snack for your child. Some classes visit the vending machine or bookstore. Breaks are taken in the morning in order to allow for water, bathroom and parent provided snacks. Some classes include food as a part of their classroom activities. Snacks will continue to be provided in the afternoon of the Camp Northampton full day program.

DISCIPLINE POLICIES AND PROCEDURES

Our program is designed to provide children with an opportunity to participate in unique group learning situations. Students that disrupt another student's ability to learn or who require more individualized attention may not fit into our program. To ensure all students have the opportunity to learn, all classes have rules that must be adhered to. **Please be sure to review our discipline policy at www.northampton.edu/summeryouth.** It will describe what constitutes inappropriate behavior and the consequences that may result. Extreme behavior may excuse your child from the remainder of the class without any refund, and may exclude your child from participation in our summer program in the future.

HEALTH CENTER POLICY

In addition to the services your child receives regarding injuries or illness while in the care of Horizons for Youth staff, they may also be seen in the Northampton Community College Health and Wellness Center managed by St. Luke's Hospital. If parents would like their child(ren) seen, evaluated, and or treated for minor acute illnesses and injuries in the health center while participating in a Horizons program, parent/guardian must complete an additional St. Luke's consent form. This form is available online at www.northampton.edu/summeryouth and at the Health Center, College Center 120. **The consent form must be returned to the Health Center in person on or before your child's first day of camp.** The Health Center is open Monday-Thursday, 9 AM-1 PM, starting May 25, 2021. Please note, the Health Center will not be able to see children if that form is not on file, with the exception of emergency situations. The Health Center is an additional service being provided to Horizons campers if parents are interested. For additional questions about the St. Luke's consent form contact 610-861-5365.

PUBLIC SAFETY

NCC Public Safety joins all private higher education institutions in the Lehigh Valley, and 75% of campuses nationwide, who have armed police or security staff. The decision to move to a limited armed public safety presence at all NCC locations was made as a key step to better protect our college community and to enhance our response to critical incidents. Our continuing goal is to provide a proactive response to crime prevention and to embody a community oriented approach to public safety with a focus on customer service.

Northampton Community College's Public Safety Office works to ensure a safe environment for students, faculty, staff and visitors. Safety at NCC is a shared responsibility that every member of the college community needs to take seriously. We believe that the key to preventing crime is awareness. If you ever observe any person or activity that appears unusual or suspicious at any NCC location, please report it to the Public Safety Department:
