Vendor Night Details and Schedule

Join Us For Vendor Night, ISPE San Diego Chapter's Largest Event of the Year

We are excited to have our event this year after a two year Covid break. This year we are at a beautiful new venue in Vista, River Garden, which is near several pharmaceutical facilities in Oceanside.

In 2014 the ISPE San Diego Chapter had its first outdoor exhibit show, taking advantage of the area's great weather. Finally, after an exhaustive search throughout San Diego County, we have found an outdoor venue that not only suites our needs but is large enough to spread out and not feel crowded. It features a beautiful waterfall, lush gardens and market lighting. The 36,000 sf grounds are mostly flat with artificial turf, concrete and dirt pathways.

Attendance is Free for All in the Industry over the age of 18

Parking is free, however, we recommend carpooling or using a service (i.e. Lyft, Uber or cab)

ISPE Exhibitor Guidelines

The following restrictions for table tops are set by the National Office of ISPE:

1. Only one exhibiting company per table will be authorized. Each individual company must have a separate table.
2. Exhibits must be staffed at all times during exhibit hours. Exhibits may be staffed by a maximum of three representatives at a time from each company.
3. Exhibits must conform to the following:

The entire exhibit must be confined to the top of table only

Nothing will be allowed to hang off, behind, in front, or along side of table (other than a table cover)

- The maximum height of any display, including signs, etc., shall be 60" inches. However, ISPE now allows roll up displays that are taller than 60" only if the display can securely stand on your table. If your roll up display does not fit on your table, we will ask you to butt it up against the back of the table.
 - The maximum width of any display shall be 72 inches. Displays must not overhang top of table. However banners can be draped over the table.
 - Only static displays are acceptable. No operating machinery of any type will be allowed.
4. ISPE reserves the right to restrict table top exhibits which are objectionable because of size, noise, glaring or flashing lights, method of operation, or any other reason and, therefore, to prohibit or evict any exhibitor who, in the opinion of ISPE, may detract from the overall good of the exhibit. This reservation includes person, conduct, printed matter or anything ISPE judges to be objectionable.
 5. Any failure to comply with the above restrictions shall result in exclusion from participation in future ISPE table-top events.

Signage: All signage must fit on your table.
