

**KINGS CONTRIVANCE COMMUNITY ASSOCIATION  
PRESENTS:**

**FREE GARDENING SEMINAR—VIA ZOOM**

**“Propagating Perennial Plants”**

**TUESDAY, March 24, 2026**

**7:00 PM—8:00 PM**

**No registration required.**

Have you been shocked by the price of perennials recently? Would you like to multiply your favorite plant? Then this beginner class on propagating plants is for you. In this talk you will learn which of your own plants are easiest to propagate and which method works best for each type of plant.

Developer: Donna Jordana.
