## ADVANTAGES OF THE 4+1 MSFRM INCLUDE:

- **\$94K average starting salary** is 64% higher than with a bachelor's degree only.
- **Save \$9,000** with two courses waived for UConn business undergraduates.
- Master's degree from a Research 1, AACSB-accredited School of Business
- **GMAT/GRE WAIVED!**
- No additional undergraduate courses
- FinTech & Programming language learning workshops **free of cost**
- **Scholarships available!**
- Alumni networking opportunities
- **2 Corporate Outreach and Career Service Specialists focused solely on MSFRM students to help guide your career path**
- Curriculum was developed by our faculty and finance executives on our Board of Advisors.
- Experiential Learning Requirement and Capstone Projects ensure you graduate with hands-on financial risk management work experience.
