In 250 words or less, please include a statement that describes	My motivation for public service stems from a deep desire to enact

your motivation for public service at this time; any past or current community involvement; the most important perspectives, priorities, or skillsets you bring to the role and what you see as the greatest challenges and opportunities facing the City and District 7.

positive changes in my community. I aspire to contribute to a better future by utilizing my skills as an experienced organizer and communicator, along with my unique perspectives from the LGBTQ community. While there may be challenges related to budgeting and community division, I firmly believe that a strong, unified, and determined council can overcome these obstacles, solve problems, and create a pathway for future growth.
