

You're Invited to ANE's District Conference this October!

Mark your calendars and plan to attend the Atlantic Northeast District Conference, taking place this fall on the campus of Elizabethtown College!

Registration is now open for the **business session on Saturday, October 3**. While the session will focus on District business, it will also include meaningful times of discussion, learning, music, and fellowship. We ask that all delegates register by July 31 so they may receive Conference materials in a timely manner.

In addition to Saturday's events, we invite you to a **District-wide Worship Service** at Living Faith (Wyomissing) Church of the Brethren on **Friday, October 2**.

A **Delegate Briefing** is scheduled for **September 8**, and a **Bible Study** based on the Conference theme will be held on **September 24**.

Visit the [conference website](#) for full details and registration information. Take a moment to see all that this year's conference has to offer—we look forward to seeing you there!
