About Dave Weiss:

Dave has been an artist most of his life and up until 2015 made his living as a graphic designer, while pastoring bi-vocationally. Today, Dave is the pastor of Springfield Church of the Brethren in Coopersburg, PA, and travels with his ministry AMOKArts.com.

Dave was led to Christ by his wife Dawn. His first pastor encouraged Dave to use his gift of art in small ways in the church. These two things radically transformed Dave's life. Dave went from being a struggling to stay sober new believer, terrified to speak in public, to being a pastor and a traveling artist/speaker who has ministered in over 300 churches and other venues in 21 states since 2012.

Dave is author and/or illustrator of several books including [Running A.M.O.K.](#), [Ministering to the Creative Soul](#), and [Enough: God and the Fine Art of Measuring Up](#). Dave also blogs regularly on God, the Church and creativity at AMOKArts.com.

Dave and Dawn live in Mohrsville, PA.

The District Older Adults Committee has carefully organized this event and encourages you to share in the fun and fellowship of our 4th annual Coffee House event! No cost for this event but a basket will be available for contributions to cover expenses for this gathering.
