

2026 Women's Camp

Contributed by Women's Fellowship Treasurer Debbie Connor

What a beautiful weekend it was to enjoy Women's Fellowship at Camp Swatara on August 14-15! About 80 women gathered for a retreat to fellowship, sing, pray, make crafts, quilt, hike, play games, catch up with each other, and of course eat the delicious food prepared by camp chef Jerry.

Our guest speaker was Marie Monville, an author, podcast host, and coach, who spoke earnestly and eloquently on the theme "Our Comeback Stories," featuring the story of Ruth and Naomi. Marie shared her connection with these two women of the Bible in her own personal life. At the same time, Marie encouraged each of us to embody the qualities of these women in our own spiritual journeys and to share our own stories of joy, struggle, redemption, and perseverance.

Thank you to Karen Steich for leading us as our 2026 president. Thank you to Rachel Bucher Swank and Mary Etta Reinhart for sharing their talents as song leader and pianist. Mayra Calix will be our 2027 president, and we look forward to our Spring Fellowship event on March 13, 2027. Speaker and location to be announced at a future date.
