

With **ANE Connect**, ANE Staff member is committing to personally relate to a group of our ANE congregations in four specific ways. These are highlighted by using the letters in the word **PACE**.

P = ANE Staff members will be regularly **PRAYING** for their designated congregations. Prayers will be lifted for pastors, leaders, as well as the vision and calling of the congregation. If there are specific prayer requests from your congregation, please make them know to your ANE Connect Member.

A = ANE Staff members will be **AVAILABLE** for you and your congregation. Answering questions. Resourcing. Providing interpretation for district ministry. Offering assistance to make your ministry more effective.

C = ANE Staff members will be **CONTACTING** you to check in, provide words of support or encouragement. Share ministry updates. Provide perspective. Offer reminders. See how you are doing in your efforts to be a faithful and healthy congregation and/or leader.

E = ANE Staff members will seek to be a good **EXAMPLE** for faithful witness, sound communication, and healthy process.

We hope that keeping **P.A.C.E.** with our congregations and leaders will benefit us all. Please watch for your **ANE Connect** contact, and feel free to contact us with any need or joy you have to share. On behalf of the Ministry Directors, our ANE Connect Team, we are with you for God's best ...
