Establishment of the Facilities Assistance Fund

Prior to his death in 2014, John Stoner, active member at Harrisburg First Church of the Brethren, served as ANE's treasurer for more than 18 years.

In 2019, the ANE District was blessed to receive funds from the Stoner Estate Fund for ANE ministries.

Utilizing a portion of this reserve, the ANE Board approved establishing the Facilities Assistance Fund, open to ANE congregations as a grant for facility improvements or repairs.
