

Spring Creek COB in Hershey is doing some major spring cleaning to make space for a local preschool to begin using our church facility in the fall. We need to clean out over 800 titles of choral music ranging from choir anthems, cantatas, men's chorus books, and more. If you would have interest or know of someone who would, please contact Dennis Garrison at dgarrison613@gmail.com and he will send an Excel file of titles, publishers, numbers of copies available, etc.
