

## **Marianne Fitzkee hired as Communications and Event Specialist**

Marianne is excited to be joining the District Staff as Communications and Event Specialist! Her first day in the office was on August 18.

After graduating from Messiah University in 2023 with degrees in Spanish and Peace and Conflict Studies, Marianne completed a year and a half of Brethren Volunteer Service (BVS). Her BVS placements included an organic farm near Quito, Ecuador, and a non-profit in Austin, TX, that provides immigration legal services. Before stepping into this role, Marianne enjoyed counseling for the summer at Camp Swatara. She is eager to build relationships and apply her love for language while serving the District that has been formative in her personal and professional development. Marianne currently resides in Manheim and is a member at the Lancaster Church of the Brethren.
