

TOP 10 or 12 Reasons to Attend District Conference

Reason number 10: Find out how the Hatfield, Alpha & Omega, and Mountville congregations are being Jesus in their neighborhoods.

Reason number 9: Learn how your Brethren neighbors are being helped by Deportation Defense Response grants.

Reason number 8: Penn State football game was played the evening before. No need to watch on Saturday.

Reason number 7: See how many food items are brought by Conference goers for the Central PA Food Bank.

Reason number 6: Hear Don Fitzkee share the highs and lows of being Annual Conference Moderator.

Reason number 5: Start the day with worship led by a Praise Team from Cornerstone Christian Fellowship.

Reason number 4: See the World Premier of the new video explaining what the Atlantic NE District can do for you and your congregation's ministries.

Reason number 3: See how the full-service Elizabethtown College dining options make Shady Maple seem meager by comparison.

Reason number 2: Let your friends and fellow Brethren see how gracefully you've aged and grown in wisdom and stature and in favor with God and man.

Reason number 1: See Moderator Dave sail through the business items like a hot knife through butter.

Bonus reason: Conduct self-guided tour of the Elizabethtown College campus. Come for the Conference, stay for the fun.
