The Alpha & Omega Community Center Board and Staff invite you to join us for an evening of food, storytelling, music, and fellowship. The evening will feature updates from AOCC English teacher and Computer for Refugees organizer Danny Gingrich and sharing by members of Global Impact for Christ, a group of volunteers from local Amish and Mennonite communities who lead the Alpha and Omega English Class. Ever Sandoval, a Peruvian-Argentinian musical artist who studied in Buenos Aires and serves as the community center’s radio program producer, will provide music. Guests will be invited to support AOCC ministries through a free-will offering. The suggested minimum donation is \$25 per person, but we hope you’ll be inspired to give more. The meal will be cooked by members of the Alpha & Omega COB: baked chicken and pork, vegetable and plain rice, macaroni and lettuce salad, sweet plantains, and a variety of desserts!

**Please RSVP no later than August 29** by returning the response slip (below) in the envelope provided to Alpha & Omega Community Center, 708 Wabank St., Lancaster, PA 17603. Those attending can support AOCC ministries at the event, but anyone can send a check or give at <https://alphayomega.us/>. Write “Banquet” in the Notes field on the donor page. We hope to see you on September 6!
