

**ANE . . . We Have the Meats: Holiday Turkey and Ham Deliveries to Brooklyn First COB**

**November 25**

ANE District Staff delivered just over 300 turkeys to Brooklyn Church of the Brethren today donated by a Lancaster County church. They went to soup kitchens, schools to distribute, and local residents.

**December 16**

ANE District Staff and Janice Sommerhoff from Lititz COB returned to Brooklyn First COB to deliver 140 Christmas hams donated by Chiques Church. Jazmin Quijano of Brooklyn First organized their distribution to the Salvation Army, a senior center, two elementary schools, and church and community members.

*It was a tight squeeze, but 35 boxes of hams fit into Kay Weaver's Jeep!*

*The Salvation Army planned to feed 200 people with their hams!*

*Community member Roberto kindly shoveled for us and helped with handing out hams.*

*Staff from PS 503, a K-5 school just across the street, received hams and shared about their work supporting immigrant families.*

*David, whose dad lived in the Brooklyn First parsonage when he first immigrated from El Salvador, stopped by. He's looking forward to the reopening of the church building (hopefully the 1<sup>st</sup> Sunday of January!)*
