

# On the Trail with God

## A walking day-retreat

Saturday, October 13

9am–4 pm

Camp Swatara

ROCK PILE TRAIL

Our life of faith is a journey. Join us for a day of exploring the path as we prayerfully walk Camp Swatara's trails. We will look at preparation for the journey and watch for how God meets us on the path of our lives. We will learn from scriptural examples of journeys and pay attention to God's surprises along the way.

The pace will be easy, with time for personal and group reflection along the easy-to-moderate unpaved trails. The trail guide will be Karen Haldeman (spiritual director and friend of Camp Swatara). Registration fee of \$20 includes lunch along the trail.

Please bring a small knapsack or bag containing a water bottle, your journal, and (if desired) your Bible to carry with you throughout the day. Sturdy footwear is recommended. You might consider bringing a towel to sit on where there are no benches. Restroom facilities will be limited. *Raindate is October 27.*
